REQUEST: Authorization to include a \$250 in-person NextGen Pathways consultation and participation assessment in the participant's SDP spending plan, as appropriate to the individual plan and applicable requirements.

Participant goals / connection to the individual plan

Purpose of assessment: Identify interests, strengths, goals, participation needs, staffing and a suitable service design. NextGen may include life skills, executive functioning, education and workforce readiness, mentorship, fitness, wellness and community participation.

ONGOING SERVICES: Final program scope and costs are determined after assessment. A separate written proposal will identify services, staffing, frequency and price for review and authorization before participation. This form does not authorize an unspecified ongoing charge.
